Your tax residency - self-certification required

Dear Ms Mensah,

Under the Common Reporting Standard, banks in Germany must confirm in which countries their customers are resident for tax purposes. Our records show an address in Germany but a telephone number registered in Ghana.

Please complete the enclosed self-certification form and send it back to us **by 29 October 2025**. If we have not received it by then, we are required to report your account to the tax authorities of both countries.

Kind regards,

International Customer Service
