Your admission to the MSc Renewable Energy Systems

Dear Mr Okonkwo,

Congratulations: you have been admitted to the Master's programme Renewable Energy Systems, starting in the winter semester 2027/28. Your place is reserved, but your enrolment is not yet complete.

Please send us officially certified copies of your bachelor's degree certificate and your transcript of records, together with certified German or English translations, **so that they reach us by 24 August 2027**. Scans or uncertified copies cannot be accepted. If the documents arrive later, your place will be offered to another applicant.

Kind regards,

Admissions Team, International Office
