Before you start: documents we still need

Dear Ms Okafor,

Welcome aboard! Your first working day with us is 1 July 2025. Before we can run your first payroll, we still need a few documents from you.

Please upload your tax identification number (Steuer-ID), your health insurance membership certificate and a copy of your residence permit to the HR portal **no later than 6 June 2025**. Without them we cannot register you for social security on time.

Best wishes,

Beispiel Software Solutions GmbH
