Your new working hours from January 2027

Dear Harriet,

As agreed in your review meeting, your weekly hours will rise from 32 to 40 from 1 January 2027, with your salary adjusted accordingly. The amendment to your employment contract is enclosed.

Please sign both copies and return one to People & Culture **by 11 December 2026** so that payroll can apply the change in January.

Best wishes,
